

Pressure Switch Application Data Sheet

Customer Name _____ Email Address _____
Contact _____ Title _____ Phone _____

> Specifications

Switch Type: Gauge Differential Aneroid Absolute Vacuum

Customer Spec. No. _____ Customer P/N _____

Increasing (At) _____ Decreasing (At) _____ Deadband _____
(Before) _____ (Before) _____

Pressure: Normal System _____ Proof _____ Burst _____

System Pressure: High Side _____ Low Side _____

Proof Pressure: High Side _____ over Low Side _____
Low Side _____ over High Side _____

Simultaneous _____

Media type _____ Media temp _____ Amb. temp _____

Mounting: Foot Face Port Other _____

Port Conn: _____ Reference (P only) _____

> Wiring Diagram

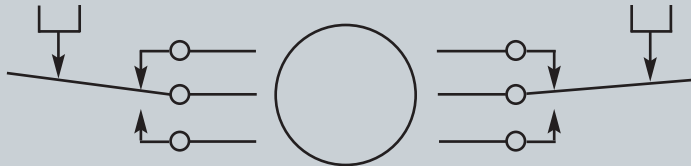

Electrical: Conn. _____ Other _____

_____ VAC; Amps, res. _____ ind. _____ lamp _____

_____ VDC; Amps, res. _____ ind. _____ lamp _____

Cycle life _____ Cycle rate _____

Wiring Diagram:

> Application

Briefly describe your project, application, function of the switch, mounting location, potential, etc.

"Target Price" _____
